

Request for Class II Permissive Change

August 2, 2016

Federal Communication Commission
Equipment Authorization Division
Application Processing Branch
7435 Oakland Mills Road
Columbia, Maryland 21046

FCC ID : VPYLB1FS
Applicant : Murata Manufacturing Co., Ltd.

To Whom It May Concern:

This is to request a Class II permissive change for FCC ID: VPYLB1FS, originally granted on 01/14/2016. We changed the following points from the original model.

- To add the following antenna

| Antenna Type | Peak Gain |
|-----------------|-----------|
| Pattern antenna | -0.5 dBi |

- To add specific portable configuration host

This module is used in the portable host device (Digital Camera N1538) therefore we performed SAR testing with the host device. We apply the Class II permissive change application because the reported SAR value is higher than the one of the previous host device (Digital Camera N1501). Bluetooth part is exempt from RF exposure SAR evaluation as its output power meets the exclusion limits stated in KDB 447498D01(v06).

The results are as below.

| Model | The highest reported SAR(1g) |
|-------|------------------------------|
| N1501 | 0.016W/kg |
| N1538 | 0.17W/kg |

Please refer to attached "Test Report" and "Specification" for details of these modifications.

Meanwhile we submit the following documents related to this change. There is no change before and after change except for these documents.

| | |
|-------------------------------------|-------------------------|
| <input checked="" type="checkbox"/> | Test Report |
| <input checked="" type="checkbox"/> | External Photo |
| <input type="checkbox"/> | Internal Photo |
| <input type="checkbox"/> | User Manual |
| <input type="checkbox"/> | Label drawing/ location |
| <input type="checkbox"/> | Block Diagram |
| <input checked="" type="checkbox"/> | Specification |
| <input type="checkbox"/> | Schematic Diagram |
| <input type="checkbox"/> | Parts List |

This time, we performed the testing and confirmed that this product still meets the minimum requirements of the applicable rules of FCC. Please refer to the test report submitted with this application.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in black ink, consisting of a stylized 'A' followed by a horizontal line and a small flourish.
